AN AHS DISPLAY GARDEN!!***

## MRHS FALL FOCUS ON HOSTAS

The forecast is for a beautiful day, but it may start and end a little on the cool side, so bring a sweater or light jacket. If you have a comfortable lawn chair, bring it along, although there will be plenty of folding chairs on hand. If you want to enjoy beer or wine with your lunch, we secured BYOB permission (always drink responsibly!!), and there will be water and soda on hand during and after lunch. Sunglasses and bug spray might come in handy. We have a tent that will be partially enclosed. Vendors will be set up next to the open sides of the tent. Porta-potties are located at the SW corner of the central parking area.

SEE YOU SATURDAY!
