

Midwest Regional Hosta Society Educational Fund

At the Midwest Regional Hosta Society (MRHS) Executive Committee meeting held at the Dubuque Convention, it was decided to set aside funds for specific educational enhancements of current and/or future AHS National Display Gardens within Region 5. The funds will be available for any AHS National Display Garden within the region that is sponsored by a local hosta society.

Application for these funds must be submitted to the Vice-President of the Midwest Regional Hosta Society. The application must be submitted by the local society that is requesting funding of a specific educational aspect of the sponsored garden. A committee composed of the Vice-President, Immediate Past President, and the Treasurer of MRHS will review and make recommendations to the Executive Committee for awarding grant money.

Funding for any specific project may not exceed \$300 per project in a single calendar year, with each local society limited to a single project per year.

Specific guidelines for eligible projects include but are not limited to the following:

- Producing handouts or brochures that are available at the garden that provide specific educational information about *Hosta*.
- Producing or updating garden signs that provide information about the display garden or a specific component of the garden related to *Hosta*.
- Installing a new display bed that features some specific collection of *Hosta*, for example, a miniature *Hosta* collection, a collection of introductions from a specific hybridizer, a collection of *Hostas* related to one of the *Hosta* species (like a *H. plantaginea* bed with cultivars derived from that species).
- Procuring display cases or containers to hold educational materials for public distribution.

The local society who is granted funding of a specific project must agree to provide documentation of the project being completed by providing samples of educational materials that are produced, providing photographs of the completed project, and submitting a report to the MRHS Executive Committee. The local society must further agree to promote membership in and participation in the Midwest Regional Hosta Society by posting membership information about MRHS in the local newsletter and/or website.
